

# Adopt a Dad for Father's Day!

Want to make someone feel really special this Father's Day? You can send a gift in your name to an anonymous "father" in a near-by nursing home. All you have to do is donate \$10 to your Mary Kay Consultant and fill out the attached card with your name, or your Business Name, or you can send it anonymously! Need more cards for your business? We have plenty! We'll do the gift wrapping and deliver the gift(s) for you, all in your name! Reach out and touch someone's life today!
