

Have Fun with Lipstick Sampling and Gain Some New Prospective Clients:

- Run the Surveys on pretty color paper and cut.
- Add 10 Surveys and at least 10-15 Lipstick/Lip Gloss Samples & a few Lip Liners in a small Mary Kay Bag.
- Offer a customer or prospective customer a FREE Lipstick or Lip Gloss of her choice for getting 10 surveys completed for you at her work, with her friends, or neighbors. You can ask the receptionist in offices you frequent if she would like to have a free Lipstick or Lip Gloss for sampling with her women co-workers.
- When she has 10 completed Surveys for you, she gets a FREE Lipstick or Lip Gloss of her choice and you will draw from the 10 Surveys completed and someone will win a FREE Lipstick or Lip Gloss of their choice.
- Just think 10 people completing 10 surveys will give you 100 new prospective customers to follow-up with!
- You can also do a few Surveys of your own as you are out and about!
