I would love to experience a MK Pampering Makeover Experience which includes a Relaxing Facial, Satin Hands & Lip Treatment, Mircodermabrasion Treatment & Personalized Skin Care & Color Application.

I think I have some friends/family who may also enjoy a Pampering Makeover Experience who may like to join me. And I would like getting a discount or some Free Products for sharing my Makeover.

I would love to be invited to a group makeover session at the MK Studio or your home.

I would love to experience a Hand Facial before/after/on break of the work day in the Ladies Room.

I would like to talk briefly about my skin type & color preferences and try a Facial in a Bag at home.

I would love to experience a **Virtual Makeover** on your Web Site. Tell me how.

I would love to know more about a MK Business for myself or someone I know.

I would like to refer someone who I think would enjoy being pampered or may like to try some samples.
