

1. When you washed your face with the TimeWise 3-In-1 Cleanser, how did your face feel? _____

Did you know TimeWise 3-In-1 Cleanser combines three of the 5 steps to healthy, younger looking skin? It cleanses, exfoliates and freshens in one step!

2. Did you follow it up with the Night (or Day) Solution?

These solutions provide the SPF 25 protection your skin needs during the day and renewal at night.

3. After applying the Age Fighting Moisturizer, were you impressed with the way your skin felt? _____

The moisturizer provides that fifth and critical step to better skin - hydration. Our Age Fighting Moisturizer provides up to 10 hours of hydration and a patented complex to accelerate your skin's natural renewal process!

4. Did you try the Microdermabrasion Set or the Firming Eye Cream that is part of our Ultimate Miracle Set? _____

The Microderm set can improve skin texture and reduce the appearance of fine lines and pores. The eye cream brightens and moisturizes the delicate skin around your eyes to minimize fine lines and wrinkles. The Ultimate Miracle Set is the perfect way to achieve more radiant skin and fewer lines!
