Girls Behaving Pinkly Party!

OUTLINE

Remember! You will be assisting me! This will give you an idea of how the event will flow.

As guests come in, welcome them and give them a raffle ticket for each **Pink** item they are wearing and for each adult guest they brought with them.

Welcome everyone—Let them know this is NOT the normal MK skin care class. We are partying on purpose and girls are behaving pinkly!

Have all the guest introduce themselves and share something about themselves that we might be surprised by :) If it is a new consultant debut, have them share here why they feel the new consultant will be GREAT in MK.

Explain the ways they can continue to earn tickets—Oooh and Ahhh, Booking and Purchasing, and participating with questions during the Purse game.

Purse game with I-story—tickets for questions.

Explain earning the pearls.

Hand facials—Ultimate Miracle Set, then dot medium coverage foundation on the back of each hand in the opposite color of their skin.

Satin Hands Set.

Group close using closing sheets—Give them 7 minutes to buy all the MK they want to.

Help guests with purchases.

Thank everyone and do all the drawings.
