Your customers will purchase what you show them! You will show them only what you love and have confidence in. You will gain confidence by correctly using our products daily! Follow the most logical first step...

1. TOSS your other brands. If you are not currently a Mary Kay user, you cannot promote what you do not wear and love. If you already using Mary Kay precuts, fill in any blanks you might be missing.
2. Set up your shower, sink area and vanity with your own PERSONAL USE PACKAGE.
3. Choose from the products listed here which Skin Care Set you will use and then add your Foundation, any Skin Supplements and Body Care Products. And don't forget to add your color products and application tools for a polished look! If you are going to wear Fragrance, make certain it's Mary Kay because someone will ask you what you are wearing!
4. Include these products in your initial inventory order!
