

For My Valentine

Because I love to see you smile,
 I want to indulge you
 for a little while.
 Because you are loved
 for all you are and all you do,
 I've arranged a special
 Day of Pampering just for you!

For My Valentine

The Day I Looked
 Into Your Eyes Is The
 Day I Fell In Love
 Forever

For Your Kisses So Sweet

For all those kisses I stole from you
 And for the ones you freely gave
 For your tender kisses upon my cheek
 And for the hurts you kissed away
 For all that your sweet lips have endured
 While loving me in every way
 I want to take care of those precious lips
 With this gift for
 your Valentine's Day!

These cards are to be used with the Sweetheart Essentials gift set. Print on white card stock and cut out. Place it in an "invitation" size envelope (4 3/8 x 5 3/4"). Office Depot sells them in boxes of 100 for under \$4.00. Place each card in the appropriate pocket. The card for pocket #4 needs to be a personalized card that he purchases and signs himself - and then he can present it when she opens pocket #4.
