

Thanksgiving Hostess Gift Idea

Question to ask to men & women:

"Who is preparing the main part of your Thanksgiving Dinner?
Have you decided what you are taking the hostess as a hostess gift?"
Pause and DO NOT SAY A WORD!

Present the following idea as a possibility:

Take a Satin Hands Set wrapped in netting and/or with some fall leaves and the following poem on a gift card:

Thanksgiving is for giving Thanks & you have done (all) or (most) of the work.
So here is (my) or (our) gift of gratitude to give your hands a perk!

You could offer this with Satin Hands as described above or a Hand Cream wrapped in a Thanksgiving Towel.
