

Ladies,

**Is your 'significant other' (ahem) GIFT-GIVING challenged??!!??
Does he mean well, but just has a hard time getting it RIGHT?!?
Are there so many hints laying around the house you TRIP over
them?!? (Trust me... been there, done that!)**

**With Valentine's Day fast approaching, you may be thinking, "Oh
well, here I go again... dropping hints that fall on deaf ears!" If
that's the case, FEAR NO MORE!!**

**As your Independent Mary Kay Consultant, I can assure you that I
will do my very best to provide you with some of the things you
may have been needing/wanting if you provide ME with a list of
WHAT you would like (or need) and how to reach your Valentine to
make the arrangements. Most men I come into contact with are
VERY grateful for ideas in the gift-giving department. I have at-
tached a WISH LIST (sorry, no convertibles) where you can write
down what you'd LIKE to get, then stick it in the mail to me in the
envelope provided, add a stamp, and I'll take it from there. =o)**

**Don't forget to include when's the best time to reach your dahlin'
and a phone number.**

**If you are fortunate enough to have a Valentine who is already on
top of things, consider yourself blessed.**

I hope you have a WONDERFUL Valentine's Day!!!
